

# IRON MEN FELLOWSHIP

As Iron Sharpens Iron, So One Man Sharpens Another.

PROV 27:17

Welcome:

We are glad that we were able to meet you. Here at Higher Ground we value all of our relationships. Especially every relationship we make with men such as yourself. We understand that a lot of churches don't provide a lot of ministry specifically for men. At Higher Ground we aim to change that and have a special focus on ministering to men.

We wanted to let you know of some of the fellowship opportunities that we provide. We would love to have you check them out and come and fellowship with us.

If I can ever be any help to you, please don't hesitate to contact me personally. My personal cell number is 215-694-6745.

Aiming Higher,

Steven Martin,

## **MEN'S PRAYER HUDDLE**

---

The huddle is designed to build stronger relationships among men in the church. In the huddle, we share a moment of encouragement and offer prayer for brothers in need. It's a place where men can openly discuss what's been going on in their lives the past week and get the support they need to face their obstacles. The huddle is a safe haven for men to be men!!!
